ABOUT JESUS IN THE CITY

Jesus in the City / Festival of Praise International was established in 1999 as a charitable community network, cooperating with churches and organizations to spread the Word of God through music, the arts, and culture and to develop programs to meet spiritual and social needs.

The Jesus in the City Parade is a lively musical street pageant, illustrating themes from the Bible through music, the arts and worship. Our vision is to celebrate love for God and love for people through music the arts & culture. This annual event attracts over 25,000 in attendance as floats, marching bands, choirs, congregants and worshippers walk the streets of downtown Toronto carrying banners and flags raised high in celebration singing and dancing spreading the message of hope, love, peace and the joy of salvation.

The Taste of Jesus in the City Concert Festival at Yonge Dundas Square takes place midsummer as a kickoff event in the core of downtown Toronto leading up to the annual parade. The Taste of Jesus in the City celebrates music in all its diversity from Gospel infused Rock, Classical, Jazz, Metal, Pop, Latin, Caribbean, Asian and African sounds

Only with the support and sponsorship of businesses, organizations, churches and volunteers have we been able to bring Jesus in the City to the streets of Toronto.

Please consider partnering with us and we look forward to having you on board as we lift up the name of Jesus in the city of Toronto!

Sincerely,

JITC Steering Committee
